### Cambs LMC Elections

We operate an election process bi-annually and invite **each and every** constituent GP who lives and/or works within Cambridgeshire & Peterborough to consider standing for election to the Committee.

The next election process starts in February 2021 and will start by us emailing every constituent GP asking them to consider standing to join the diverse voices that reflect the local profession on your Committee. This will be your opportunity to become a part of that representative process and by standing for election to the Committee, you can help make a personal difference to all your colleagues, at a time when strong leadership is vital, both locally and nationally.

If you know of any GP colleagues who have not heard of us, don't know who we are, or what we do, or if they are not receiving our communications, please put them in touch with us, we'd be delighted to hear from them
